

RETHINK FOLLY ROAD

A COMPLETE STREETS STUDY

STEERING COMMITTEE MEETING JAMES ISLAND TOWN HALL 1238-B CAMP ROAD, JAMES ISLAND, SC

Meeting Minutes
September 14, 2017
3:00PM – 4:00PM

I. Welcome and Introductions

II. Selection of Additional Steering Committee –

The Steering Committee **unanimously voted** on adding more members to the committee. Please see attached membership list for what was voted on.

III. Discussion on Folly Road Crosswalk Improvements at both Eugene Gibbs and Camp Road

The Steering Committee **unanimously voted** to request that the Town and City fund improved crosswalks. These will be stamped and painted--like the ones put in at Harbor view road (split in cost sharing -- 3/4 town and 1/4 city).

IV. Discussion on the Town of James Island Folly Road Application for Complete Streets to BCDCOG –

Discussion occurred regarding the availability of approximately \$6.9 million dollars in Complete Streets money in the BCDCOG TIP. The Committee agreed to expand the application to include a larger section than the first application submitted by the Town in an effort to ask for more funding. The funding is not guaranteed as the BCDCOG Board will have to vote on it but an application will be put together that is truly multi-jurisdictional and more expansive than the original request. A request to focus that application on a Multi-Use Path was made.
