

Charleston Area Regional Transportation Authority

CARTA ROLLS OUT SERIES OF SERVICE ENHANCEMENTS BEGINNING SUNDAY, FEB. 18

CHARLESTON, S.C. (FEB. 15, 2017) – The [Charleston Area Regional Transportation Authority](#) (CARTA) will roll out a series of service enhancements across the system beginning Sunday, Feb. 18.

"These changes, whether it's serving a medical center in Mount Pleasant or adding an additional commuter trip for convenience, are coming from conversations with our riders, and we're responding to those requests," said CARTA board chairman Mike Seekings. "CARTA's on-time performance in 2017 was nearly 90 percent, well ahead of national averages, and we want to continue that trend."

FEB. 18, 2018 SERVICE UPDATES:

Express 2 Mount Pleasant-West Ashley: A 6:09 p.m. trip leaving Citadel Mall has been added to the schedule. The route will depart MUSC and College of Charleston heading to Mount Pleasant at approximately 6:30 p.m. Please view new schedule for details.

Route 40 Mount Pleasant: Route will now service East Cooper Hospital twice daily, seven days a week.

Route 102 North Neck: Frequency increased. Bus will now run every 60 minutes and will service the Superstop at Rivers Avenue and Montague Avenue at the top of the hour.

Route 10 Rivers Ave.: A series of slight schedule modifications made on the system's busiest route to improve on-time performance. Full details in new schedule.

Route 103 Leeds Ave.: In order to maximize efficiency this route will now run as a loop. Route will depart the Superstop at 20 after the hour. Service area will remain the same. Full details in new schedule.

Route 203 Medical Shuttle: Slight modifications made to schedule to improve on time performance. Full details in new schedule.

ABOUT CARTA

The Charleston Area Regional Transportation Authority (CARTA) is a public transportation system dedicated to providing affordable transit in the Charleston community through local fixed routes, on-demand paratransit service and express

commuter routes. For the latest on CARTA, visit www.ridecarta.com, like us on [Facebook](#) or follow on Twitter at [@RideCARTA](#). All customers are encouraged to plan rides and track buses with the CARTA-endorsed [Transit app](#) and the [CARTA Bus Tracker](#).
