

Brighter Together

Important Note to Investors

This presentation contains certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. The statements relate to, among other things, expectations, estimates and projections. We have used the words "anticipate", "believe", "could", "estimate", "expect", "intend", "may", "plan", "outlook", "predict", "project", "should", "strategy", "target", "will", "potential" and similar terms and phrases to identify forward-looking statements in this presentation. Factors that could cause actual results to differ include, but are not limited to: the expected timing and likelihood of completion of the proposed acquisition of SCANA, including the ability to obtain the requisite approvals of SCANA's shareholders; the risk that Dominion Energy or SCANA may be unable to obtain necessary regulatory approvals for the transaction or required regulatory approvals may delay the transaction or cause the parties to abandon the transaction; the risk that conditions to the closing of the transaction may not be satisfied; the risk that an unsolicited offer for the assets or capital stock of SCANA may interfere with the transaction; or changes in demand for Dominion Energy's and SCANA's services. Other risk factors for Dominion Energy's and SCANA's businesses are detailed from time to time in Dominion Energy's and SCANA's quarterly reports on Form 10-Q or most recent annual report on Form 10-K filed with the Securities and Exchange Commission.

The information in this presentation was prepared as of January 3, 2018. Dominion Energy and SCANA undertake no obligation to update any forward-looking information statement to reflect developments after the statement is made. Projections or forecasts shown in this document are subject to change at any time.

IMPORTANT ADDITIONAL INFORMATION

In connection with the proposed transaction between Dominion Energy, Inc. and SCANA Corporation, Dominion Energy will file with the SEC a Registration Statement on Form S-4 that will include a combined Proxy Statement of SCANA and Prospectus of Dominion Energy, as well as other relevant documents concerning the proposed transaction. The proposed transaction involving Dominion Energy and SCANA will be submitted to SCANA's shareholders for their consideration. This communication shall not constitute an offer to sell or the solicitation of an offer to buy any securities nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction. Shareholders of SCANA are urged to read the registration statement and the proxy statement/prospectus regarding the transaction when they become available and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they will contain important information.

Shareholders will be able to obtain a free copy of the definitive proxy statement/prospectus, as well as other filings containing information about Dominion Energy and SCANA, without charge, at the SEC's website (<http://www.sec.gov>). Copies of the proxy statement/prospectus and the filings with the SEC that will be incorporated by reference in the proxy statement/prospectus can also be obtained, without charge, by directing a request to Dominion Energy, Inc., 120 Tredegar Street, Richmond, Virginia 23219, Attention: Corporate Secretary, Corporate.Secretary@dominionenergy.com or to SCANA Corporation, 220 Operation Way, Mail Code 0133, Cayce, South Carolina 29033, Attention: Office of the Corporate Secretary, BoardInformation@scana.com.

PARTICIPANTS IN THE SOLICITATION

Dominion Energy, SCANA and certain of their respective directors, executive officers and employees may be deemed to be participants in the solicitation of proxies in respect of the proposed transaction. Information regarding Dominion Energy's directors and executive officers is available in its definitive proxy statement, which was filed with the SEC on March 20, 2017, Dominion Energy's Annual Report on Form 10-K, which was filed with the SEC on February 28, 2017 and certain of its Current Reports on Form 8-K. Information regarding SCANA's directors and executive officers is available in its definitive proxy statement, which was filed with the SEC on March 24, 2017, SCANA's Annual Report on Form 10-K, which was filed with the SEC on February 24, 2017 and certain of its Current Reports on Form 8-K. Other information regarding the participants in the proxy solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in the proxy statement/prospectus and other relevant materials filed with the SEC. Free copies of this document may be obtained as described in the preceding paragraph.

Dominion Energy[®]

Who We Are

Sustainability: Our Culture

Four Core Values

Safety

Safety is our highest priority — in the workplace and in the community

Ethics

Integrity, individual responsibility & accountability go hand-in-hand with bottom-line results.

Excellence

We set high performance standards and are committed to continuous improvement.

One Dominion

We know that strong, sustainable performance depends on how well we support each other.

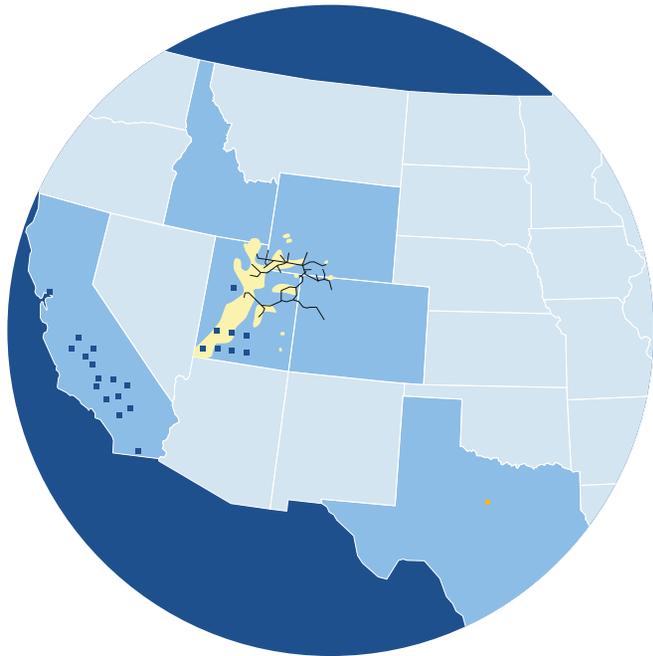

Dominion Energy Profile

Our mission

- Serve customers safely, efficiently and reliably
- Strengthen communities
- Minimize environmental impact
- Live our values
- Reward shareholders

Our Current Operating and Service Areas

16,200
EMPLOYEES
in the 19 states where
Dominion Energy
operates

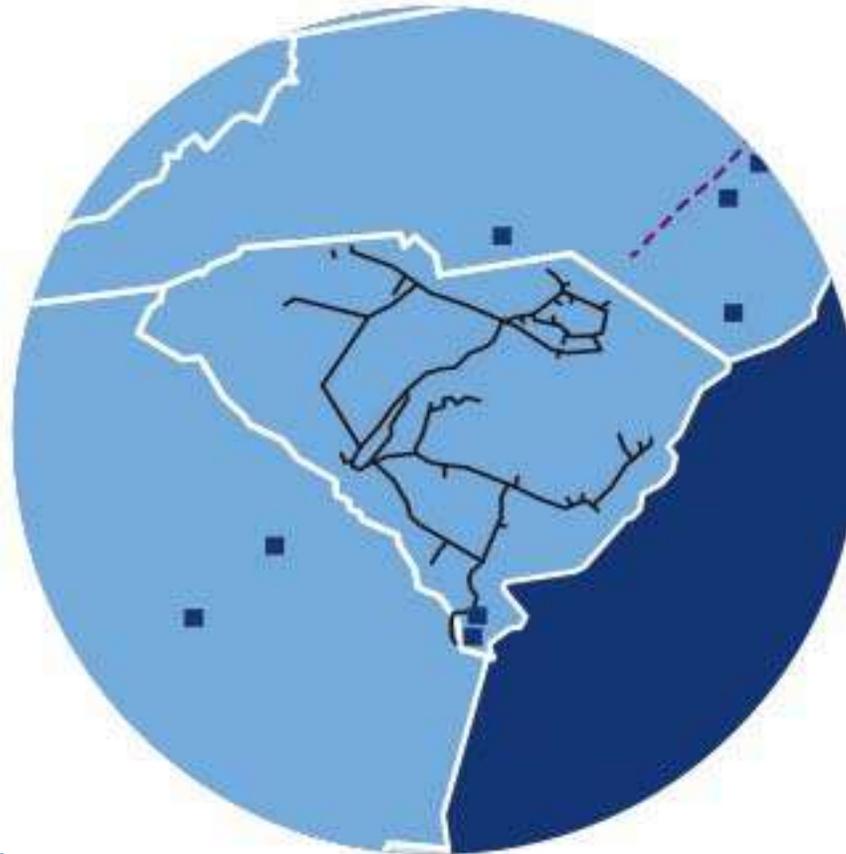

Our Footprint

Dominion Energy began as a canal navigation company in Virginia. We found our niche as an electric power company in 1909, and, through mergers, expansion and growth, now own and operate energy infrastructure in some of the fastest-growing regions in the nation.

Sustainability: Environmental Stewardship

Leadership

**1 of 3
companies**

reducing carbon
emissions rate by

**more than
40%**

Since 2000, our carbon intensity has decreased by 43 percent.

The company intends to further increase our reliance on cleaner generating technologies, and when combined with continued operation of our three nuclear power stations, should result in an **additional reduction of our carbon intensity to 50 percent by 2030.**

Highlights

- **6th largest solar utility company**, 1 gigawatt more under construction/development or announced in seven states
- **\$3.7 billion** – To safeguard public health, reduce emissions since 2000
- **43%** – Reductions in carbon emission rate from power stations since 2000
- **4.4 billion cubic feet** of methane saved through voluntary reduction programs
- **21%** – Coal ash beneficially reused in 2016
- **262** – employee projects in **10 states** to clean up riverfronts, improve trails, and fix parks

Sustainability: Social Commitment

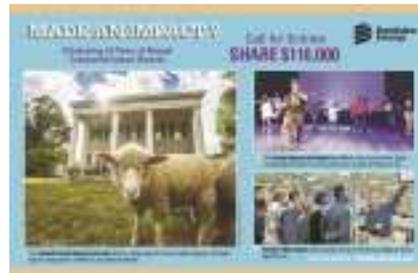

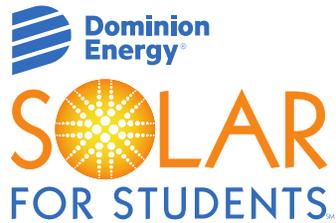

Highlights

- **#1 - "Best for Vets" Award**
- **#2 – “Most Admired Companies”**
- **“Just 100” list**
- **\$28 million** in charitable giving in 2017
- **\$12.9 million** in low-income fuel assistance
- **125,000+ hours** - Employee volunteer community service in

Commitment to Our Communities: Signature Programs

EnergyShare

PROJECT
PLANT IT!

Commitment to Our Communities: Employee Volunteers

300+ “volunteers of the year” since 1980

Sustainability: Our Culture

Attracting, Developing & Retaining Talent

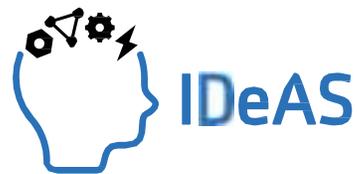

It is critical that our Dominion Energy workforce reflect the generational, gender and cultural makeup of the communities we serve.

- Attract millennial workers
- Welcome diverse candidates
- Ensure inclusivity
- Develop talent
- Listen to employees
- Improve workplaces
- Promote health, wellness

Sustainability: Economic Viability

- Cleaner generation
- Investing in infrastructure
- Innovation
- Cybersecurity

\$200 million

Annual spending to replace aging pipelines in Ohio and West Virginia

Economic Development: A strong business partner

- Regularly honored among top U.S. utilities
- Target industry hot spot locations (tech/data center; food production; advanced manufacturing)
- Cooperative advertising & trade show support
- Prospect support
- Educational seminars
- Site certification

Richmond Times-Dispatch
VIRGINIA'S NEWS LEADER

Magazine rates Dominion among top utilities in U.S.

May 16, 2017

Site Selection magazine has named **Dominion Resources Inc.** as one of the country's top 10 utilities for economic development.

Dominion Energy® Proposal

Dominion Energy Proposal: Certainty and a permanent solution

Benefits to electric customers

- Cash back
- Lower rates
- No additional nuclear charges
- Rate freeze for at least three years
- Limit litigation risks
- Strong energy partner

Dominion Energy Proposal: Certainty and a permanent solution

Benefits to electric customers

- \$1.3 billion cash to customers within 90 days of close
- \$1,000 per average residential customer
- Payments to business, non-profit, government customers
- Helps to offset the amounts paid by customers to date for nuclear plant development

Dominion Energy Proposal: Certainty and a permanent solution

Benefits to electric customers

- \approx 7% rate reduction (\$10/month for average residential customer*)
- New nuclear charge to zero over 20 years vs. 50-60 years with SCE&G plan
- Dominion Energy shareholders absorb \$1.7 billion debt not now in rates but eligible
- Dominion Energy provides a gas-fired power plant with no capital cost to customers (\$180 million)

*Within 90 days of close. Savings base on 1,000 kWh/month residential usage. Includes tax reform savings estimate of 3.5%. Actual savings may be higher and will be provided to reduce bills further

Dominion Energy Proposal: Community Benefits

- Employee compensation protected through 2019
- Dominion Energy increases charitable contributions by \$1 million a year for at least 5 years
- A strong energy partner:
 - Reliability enhancements
 - Cleaner energy
 - Grid security and modernization

Dominion Energy Proposal: Stronger Together Combined South Carolina Operations

Benefits to natural gas customers

- Access to greater resources
- Combination leverages Dominion Energy's financial strength

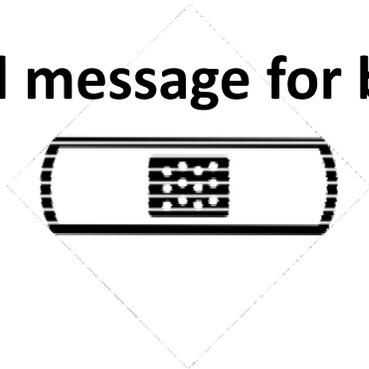

- Gas Transmission Pipelines
- - Proposed Atlantic Coast Pipeline
- Solar
- Electric & Natural Gas
- Natural Gas Only

Band-Aid or Permanent Solution?

Senate proposal

- Multiple risks
- Temporary relief, higher rates?
- Reduction in service, investment?
- No money back
- Bad message for business

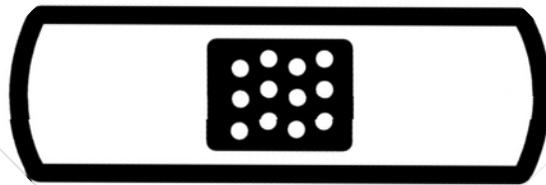

Dominion Energy

- A sure thing
- Permanent solution, lower rates
- Strong investment record
- \$1,000 for average residential customer
- Private sector solution

Band-Aid or Permanent Solution?

Senate proposal

\$10 a month . . . *maybe*
No \$1,000

Dominion Energy

\$1,000 . . . for sure

Comparison based on Senate proposal of 13% rate reduction (\approx \$20/month) and Dominion Energy proposal of \approx 7% reduction (\approx \$10/month) and \$1,000 payment for average residential customer.
